SELAMSEW ALEMU TAMIRAT

Electrical and Computer Engineer

ABOUT ME

I'm Selamsew Alemu. I graduated from Debre Markos University with Bachelor of Science degree in Electrical and Computer Engineering in computer engineering with CGPA 3.28 and passed University exit exam with score of 86%. I'm always energetic and eager to learn new skills. I am highly engaged in computer hardware and software system problem solving. I am open-minded since to adapt any situation and able to handle multiple tasks on a daily basis.

Address: Addis Ababa, Ethiopia

LANGUAGES

Amharic: proficient

English: proficient

HOBBIES

- Reading books, research's
- Work projects, Teaching
- Watching Technology based videos
- Learning new skills
- Enjoy with family
- Sharing the idea with others

SUMMARY:

Highly experienced electrical and computer engineering, with different course project at learning years designing and developing computer hardware and software systems specially computer software labs. And also experienced programming language. Excellent interpersonal and communication skill as well as problem solving skills.

EDUCATION:

Bachelor of Science in Electrical and Computer Engineering

Debre Markos University, Ethiopia **2020-2024 G.C**

EXPERIENCE:

Senior Computer Engineer / ERP & Systems Specialist
Tibeb Design and Build PLC 05 March 2025 – Present

- Maintain, troubleshoot, and optimize computer hardware and software systems.
- Manage databases, user access, data integrity, and system reliability.
- Lead ERP system configuration and **ERP customization** to support business operations.
- Collaborate with technical teams to resolve complex system and infrastructure issues.
- Upgrade and enhance the Inventory Management System to improve efficiency and reporting.

SKILLS:

- Programming languages (C++, Java, Phyton, HTML, MATLAB)
- Frontend Developer and use this tools GitHub, git and react.
- Computer hardware and Computer software maintenance.
- SQL/ MySQL, Node.JS, CSS, JavaScript & HTTPS**.**
- Design and implementation of networking systems
- software programs (Arduino Uno Microcontrollers, MATLAB/Simulink,).
- Basic Computer Skills (MS-word, MS- Excel, MS- Power Point).
- Data Analysis, Critical thinking, time management, teamwork, Public relations, effective communication.
- Customize forms, fields, scripts, and reports.

Certificates and recognitions:

- achievement in the National exit examination in Electrical and computer engineering. scoring an impressive **86 out of 100**.in 2024.
